THE PENFIELD VOLUNTEER EMERGENCY AMBULANCE SERVICE, INC.
P.O. BOX 220 • 1585 JACKSON ROAD • PENFIELD, NEW YORK 14526

September, 2010

Dear Friends and Neighbors,

Since 1966 Penfield Volunteer Emergency Ambulance has been serving residents of the Town of Penfield, as well as those who work, shop, and visit our community by providing quality emergency medical services to the sick and injured.

Last year alone our agency received over 2,600 emergency calls for service and our volunteer members dedicated over 21,000 hours of their time to Penfield. Our dedication to the community does not stop there. PVEA volunteers served our neighborhood by providing regular free blood pressure screenings, and emergency medical services at local events such as the Penfield July 4th celebration. We took part in a DWI simulation drill in cooperation with the Penfield Fire Dept. and Sheriffs Office to educate high school seniors on the dangers of driving under the influence of drugs or alcohol. We also continue to operate our Loan Cupboard, providing free use of crutches, canes, and walkers to Penfield residents.

Penfield Volunteer Emergency Ambulance is committed to continuing to provide prompt, quality emergency medical care to the Penfield community, but in order for us to do so we need your help.

Your donation of \$25, \$50, \$100 or more, will help Penfield Volunteer Emergency Ambulance continue to operate and provide quality emergency services to our community and our neighbors. This year you have the option to make your donation on-line with a credit card by going to www.penfieldambulance.org. Won't you please consider making a donation today?

We would also be greatly honored and appreciative if you would consider Penfield Ambulance as part of your plans for long term giving. Consider asking your financial planner how you can continue to support Penfield Ambulance as a part of your estate planning. Your generosity will help ensure our ability to save lives, and provide emergency care to the sick and injured for many years to come.

On behalf of all of us at Penfield Volunteer Emergency Ambulance Service, we thank you for your continued support.

Tom Gill
Vice President-Administration
